

P wave Localisation

V1	ECG Trace	Amplitude	Direction	Localisation
		-ve		RA
		+/-		RA
		=		Perinodal or RA Septum
		+ve		LA (or CT)
		-/+		LA (or Septal)

Inferior	Amplitude	Direction	Localisation
	-ve		Inferior
	+ve		Superior

V2-V4	Amplitude	Direction	Localisation
	-ve		Anterior
	+ve		Posterior

I	Amplitude	Direction	Localisation
	-ve		Left to Right
	+ve		Right to Left

II/III	Amplitude Comparison	Direction	Localisation
+ve P wave Amplitude	III > II		Leftward Origin
	II > III		Rightward Origin
